| Target version: | TiltPicker v2.0 | Spent time: | 0.00 hour |

Description
For this to be implemented, a couple of extra fields need to be added to the DoG picker GUI

History
#1 - 03/09/2010 04:38 PM - Neil Voss
- Status changed from Assigned to In Code Review
- Assignee changed from Neil Voss to Amber Herold

Finished this in r13125, r13127. Had to rewrite entire DoG picker dialog and add some flags to apPeaks.py. Ed Brignole can test by just running DoG picker and make sure it gives desired results.

#2 - 03/09/2010 08:58 PM - Neil Voss
- % Done changed from 0 to 100

#3 - 04/07/2010 03:22 PM - Amber Herold
- Status changed from In Code Review to In Test
- Assignee changed from Amber Herold to Ed Brignole

#4 - 04/07/2010 03:30 PM - Neil Voss
- Status changed from In Test to Closed
- Assignee deleted (Ed Brignole)
