Add more progress tracking for FREALIGN

- How many particles processed left
- Estimated completion time

Particles to refine:

cat iterXXX/proc*/outparams.par | egrep -v "$C" | wc -l

Particles to recon:

tail iterXXX/frealign.combine.out

History

#1 - 06/16/2010 07:12 PM - Neil Voss
- Target version set to Appion/Leginon 2.2.0

#2 - 07/13/2011 10:36 AM - Amber Herold
- Target version changed from Appion/Leginon 2.2.0 to Appion/Leginon Future Version
